

UCD Internal Medicine
Resident National and Regional Presentations
2002-2009

2009 **Brown, Sherrill** “Herpes Zoster Above 60: Don’t Wait to Vaccinate!”, American College of Physicians Competition, Sacramento, CA. November 21, 2009

2009 **Coyle, T** “Sudden Cardiac Death Redux”, American College of Physicians Competition, Sacramento, CA. November 21, 2009

2009 **Gupta, A** “Posterior Reversible Leukoencephalopathy Syndrome”, American College of Physicians Competition, Sacramento, CA. November 21, 2009

2009 **Hanna, D** “Breathtaken”, American College of Physicians Competition, Sacramento, CA. November 21, 2009

2009 **Hoffman, P** “Pulmonary Infiltrates with Eosinophilia Presenting as Heart Failure”, American College of Physicians Competition, Sacramento, CA. November 21, 2009

2009 **Kwong, N** “Fibroblast Growth Factor 23”, American College of Physicians Competition, Sacramento, CA. November 21, 2009

2009 **Lu, D** “An Unusual Presentation of a Common Pneumonia”, American College of Physicians Competition, Sacramento, CA. November 21, 2009

2009 **Mannis, T** “Neurofibromatosis: Atypical Manifestations that Can Mislead the Clinician”, American College of Physicians Competition, Sacramento, CA. November 21, 2009

2009 **Rubio, R** “When Traditional Modes of Ventilation Fail”, American College of Physicians Competition, Sacramento, CA. November 21, 2009

2009 **Sanchez, S** “I’m Not Compacted! Left Ventricular Dysfunction in a Young Man”, American College of Physicians Competition, Sacramento, CA. November 21, 2009

2009 **Talamantes, E** “Urticaria and Blastocystis Hominis Infection”, American College of Physicians Competition, Sacramento, CA. November 21, 2009

2009 **Gupta, A** “The Addition of Cracker Swallow to Standard Liquid Swallow for Determining Gastroesophageal Reflux Disease Severity in Ineffective Motility Disorder”, Digestive Disease Week Conference, Chicago, IL. May 31, 2009

2009 **Parikh, D** “Outcomes of Wireless Capsule Endoscopy: Men vs. Women”, American College of Gastroenterology Conference, San Diego, CA. October 25, 2009

2009 **Parikh, D** “Safety and Efficacy of Wireless Capsule Endoscopy in Patients after Abdominal Surgery”, American College of Gastroenterology Conference, San Diego, CA. October 25, 2009

2008 **Aron, J** “The Acid and The Pain: Diagnosing and Treating GERD”, American College of Gastroenterology Annual Scientific Meeting, Orlando, FL, October 2008.

2008 **Chan T**, “Up to Par? Using an Electronic Medical Record to Profile Internal Medicine Residents’ Experience in Continuity Clinic”, American College of Physicians Competition, San Francisco, CA. November 22, 2008 **2nd Place Winner, Research Competition**

2008 **Cheng, E**, “Allergic Bronchopulmonary Aspergillosis”, Society of General Internal Medicine meeting, Spring 2008. **2nd Place Winner, Clinical Vignette Competition**

2008 **DeCruz S**, “Oxidative Stress in Cystic Fibrosis Respiratory Tract Secretions: Therapeutic Strategies”, American College of Physicians Competition, San Francisco, CA. November 22, 2008

2008 **Deng H**, “Brugada’s Syndrome: A Rare Cause of Syncope”, American College of Physicians Competition, San Francisco, CA. November 22, 2008

2008 **Gidwani N**, “Hungry Bone Syndrome after Parathyroidectomy”, American College of Physicians Competition, San Francisco, CA. November 22, 2008

2008 **Goyal, V**, “My Back Pain (And Multi-Organ Failure) Are Killing Me”, American College of Physicians Competition, San Francisco, CA. November 22, 2008

2008 **Gupta A**, “When Surgery Doesn’t Cut It: An Alternative Treatment for Surgically Refractory Achalasia”, American College of Physicians Competition, San Francisco, CA. November 22, 2008

2008 **Heo J**, “An Unusual Cause of Right Upper Quadrant Pain”, American College of Physicians Competition, San Francisco, CA. November 22, 2008

2008 **Ingram, D**, “Eosinophilic Esophagitis”, Society of General Internal Medicine meeting, Spring 2008. **1st Place Winner, Clinical Vignette Competition**

2008 **Le C**, “HAART and Peripheral Lymphadenopathy in an HIV-Infected Patient”, American College of Physicians Competition, San Francisco, CA. November 22, 2008

2008 **Leonard S**, “Paget Schroetter Syndrome: A Case of Stenting Gone Amuck”, American College of Physicians Competition, San Francisco, CA. November 22, 2008

2008 **Leung M**, “Proteus on Land: A Case of Migratory Arthralgias, Evanescent Rash, and Fluctuating Fevers”, American College of Physicians Competition, San Francisco, CA. November 22, 2008

2008 **Ly S**, “Pancreatic Pseudocyst Infection Disseminates to the Brain”, American College of Physicians Competition, San Francisco, CA. November 22, 2008

2008 **Quang Y**, “Comparison of the Prevalence of Chronic HBV Infection in US-Born to Foreign-Born Asian/Pacific Islander Students at UC Davis”, American College of Physicians Competition, San Francisco, CA. November 22, 2008

2008 **Reddy, P**, “The Missing Factor: Factor XI Deficiency”, American College of Physicians Competition, San Francisco, CA. November 22, 2008

2008 **Sanchez E**, “I Can’t Walk”, American College of Physicians Competition, San Francisco, CA. November 22, 2008

2008 **Seaman C**, “Transient Global Hypokinesia in a Patient with Prior Apical Ballooning Syndrome”, American College of Physicians Competition, San Francisco, CA. November 22, 2008.

2008 **Stocker, T**, “Comprehensive Diabetes Care for the Uninsured: Assessing How Internal Medicine Residents Perform”, Society of General Internal Medicine meeting, Spring 2008. *1st Place Winner, Research Competition*

2008 **Tong A**, “Chronic Pancreatitis Causing Fistulas into the IVC”, American College of Physicians Competition, San Francisco, CA. November 22, 2008

2007 **Aron J**, “The Ninth Colonoscopy: Extensive and Large Vascular Ectasias, A Rare Finding”, American College of Physicians Competition, Monterey, CA. December 2, 2007 *Honorable Mention Winner, Clinical Vignette Competition*

2007 **Byun E**, “The Value of Surveillance Cultures in the Comfort Care Setting: A Case of Comfort Care Associated with Vancomycin Resistant Enterococcus Necrotizing Fasciitis Superinfection in a Different Patient”, American College of Physicians Competition, Monterey, CA. December 2, 2007

2007 **Chen J**, “Chronic Orthostatic Headache in a Middle-Age Woman”, American College of Physicians Competition, Monterey, CA. December 2, 2007

2007 **Coyle T**, “What’s Your Diagnosis? Leptomeningeal Carcinomatosis”, American College of Physicians Competition, Monterey, CA. December 2, 2007

2007 **Draper J**, “Cellulitis as the Initial Presentation of Felty’s Syndrome”, American College of Physicians Competition, Monterey, CA. December 2, 2007. *2nd Place Winner, Clinical Vignette Competition*

2007, **Eddin M**, “Hypoxemia and Embolic Stroke: Deadly Presentation of a Primary Hepatic Malignancy”, American College of Physicians Competition, Monterey, CA. December 2, 2007

2007 **Goyal V**, “Lifting Weights Can Blow Your Mind: Spontaneous CSF Rhinorrhea”, American College of Physicians Competition, Monterey, CA. December 2, 2007

2007 **Hanson K**, “Hospital Admission Rates for Sickle Cell Pain Crisis”, American College of Physicians Competition, Monterey, CA. December 2, 2007. *1st Place Winner, Research Competition*

2007 **Holt Z**, “Worrying and Wasting Away”, American College of Physicians Competition, Monterey, CA. December 2, 2007

2007 **Huynh T**, “Periorbital Edema and Cutaneous Nodules as Presenting Symptoms of Sickle Cell Crisis”, American College of Physicians Competition, Monterey, CA. December 2, 2007

2007 **Kashkouli P**, “You Would Not Believe What Lit Up”, American College of Physicians Competition, Monterey, CA. December 2, 2007

2007 **Lee L**, “All Backed Up: Neostigmine for the Treatment of Ogilvie’s Syndrome”, American College of Physicians Competition, Monterey, CA. December 2, 2007

2007 **Ly S**, “More Than Just Pneumonia, It’s Brugada Syndrome”, American College of Physicians Competition, Monterey, CA. December 2, 2007

2007 **Nguyen T**, “Scleroderma-Associated Pulmonary Hypertension: Diagnosis Made Difficult by an Ovarian Mass and Elevated CA-125”, American College of Physicians Competition, Monterey, CA. December 2, 2007

2007 **Oldham J**, “Pack Your Deet, Dengue Lurks”, American College of Physicians Competition, Monterey, CA. December 2, 2007

2007 **Patel R**, “Atrial Septal Defects: A Changing Epidemiology”, American College of Physicians Competition, Monterey, CA. December 2, 2007

2007 **Rad H**, “Leprosy: A Medieval Disease Not Yet Eradicated”, American College of Physicians Competition, Monterey, CA. December 2, 2007 *Honorable Mention Winner, Clinical Vignette Competition*

2007 **Sangha S**, “Distal Intestinal Obstruction Syndrome: Adult ‘Meconium Ileus Equivalent’ in Cystic Fibrosis Patients”, American College of Physicians Competition, Monterey, CA. December 2, 2007

2007 **Seaman C**, “Atrial Septostomy in Amphetamine-Induced Right Heart Failure”, American College of Physicians Competition, Monterey, CA. December 2, 2007

2007 **Sharma R**, “Chasing Anemia in a Patient with Dermatitis”, American College of Physicians Competition, Monterey, CA. December 2, 2007

2007 **Thai A**, “The HAART of Abdominal Pain”, American College of Physicians Competition, Monterey, CA. December 2, 2007

2007 **Wolf A**, “CNS Lymphoma in a Woman with SLE”, American College of Physicians Competition, Monterey, CA. December 2, 2007

2006 **Alcalay A**, “Venous Thromboembolism in 68,142 Patients with Colorectal Cancer”, American College of Physicians Annual Session, Philadelphia, April 2006
1st Place Winner, Research Competition

2006 **Aron J**, “Can Occam’s Razor Be Sharper? The Diagnostic Dilemma of Painless Bullous Lesions.” American College of Physicians Competition, Monterey, CA. November 11, 2006

2006 **Chen J**, “A Rare Cause of Rectal Bleeding in a Kidney Transplant Patient.” American College of Physicians Competition, Monterey, CA. November 11, 2006

2006 **Cheng E**, “Interpretation of the Exercise Treadmill Test in Women” American Heart Association Scientific Sessions 2006, Chicago, IL, November 12, 2006.

2006 **Cheng E**, “Disseminated Coccidioidomycosis in a Health Samoan College Student” American College of Physicians Competition, Monterey, CA. November 11, 2006

2006 **Dhatt A**, “Factors Associated with Carrying Self-Injectable Epinephrine in Life Threatening Nut Allergy.” American College of Physicians Competition, Monterey, CA. November 11, 2006

2006 **Dhatt A**, “Lump in Breast: Take a Guess!” American College of Physicians Competition, Monterey, CA. November 11, 2006

2006 **Foster E**, “Acquisition of Protein S Deficiency by Liver Transplantation” American College of Gastroenterology, October 2006

2006 **Gabler S**, “Right Ventricular Perforation in Permanent Pacemaker Placement” American College of Physicians Competition, Monterey, CA. November 11, 2006

2006 **Hogberg I**, “When Bad Breath Takes Your Breath Away: An Unusual Case of Periodontal Disease Causing Septic Pulmonary Emboli and Empyema” American College of Physicians Competition, Monterey, CA. November 11, 2006

2006 **Huynh T**, “When Gout Can Be Deadly” American College of Physicians Competition, Monterey, CA. November 11, 2006

2006 **Kamboj A**, “A Solved Mystery of Extrahepatic Manifestations of Hepatitis C.” American College of Physicians Competition, Monterey, CA. November 11, 2006

2006 **Kopilevich L**, “Urine in the Blood: An Important Consequence of Severe Chronic Obstruction.” American College of Physicians Competition, Monterey, CA. November 11, 2006

2006 **Krishnamurthy A**, “He Heard a Pop!: Spontaneous Pneumothorax as a Presentation for Coccidioidomycosis” American College of Gastroenterology, October 2006

2006 **Ku G**, “Incidence of Venous Thromboembolism in Patients with Acute Leukemia”, American Society of Hematology, Orlando, FL. December 9, 2006.

2006 **Leary J**, “Doc, Will This Tan Ever Go Away?” American College of Physicians Competition, Monterey, CA. November 11, 2006

2006 **Lin J**, “Thrombi, Syncope and Ileus: A Case of Occult Pancreatic Adenocarcinoma.” American College of Physicians Competition, Monterey, CA. November 11, 2006

2006 **Lin K**, “Listeria Rhombencephalitis: Importance of Early Diagnosis in Prevention of Neurological Sequelae.” American College of Physicians Competition, Monterey, CA. November 11, 2006

2006 **Logan I**, “*Blastocystis hominis* as a Harbinger of Ulcerative Colitis in an Elderly Man.” American College of Physicians Competition, Monterey, CA. November 11, 2006

2006 **Malmsten C**, “The ABC’s and E’s of Hepatitis.” American College of Physicians Competition, Monterey, CA. November 11, 2006

2006 **Moreland C**, “Tracing Weakness to Its Source: Lambert-Eaton Myasthenic Syndrome.” American College of Physicians Competition, Monterey, CA. November 11, 2006

2006 **Nguyen T H**, “Desquamating Rash in a Man from American Samoa.” American College of Physicians Competition, Monterey, CA. November 11, 2006

2006 **Rana R**, “Got Cold Prozac? Burnout and Depression Among Residents in Different Specialties at a Tertiary Care University Hospital.” American College of Physicians Competition, Monterey, CA. November 11, 2006

2006 **Schwilk E**, “From Mules to Mycobacteria: Searching For the Source of Back Pain.” American College of Physicians Competition, Monterey, CA. November 11, 2006

2006 **Sepehrdad R**, “Hand-Foot Syndrome in an Adult with Sickle Cell Disease (Hgb SS).” American College of Physicians Competition, Monterey, CA. November 11, 2006

2006 **Tam J**, “Chronic Eosinophilic Pneumonia” American College of Gastroenterology, October 2006

2006 **Tran Q**, “A New Use for Gels: Topical Opioids in the Management of Painful Ulcers” American College of Physicians Competition, Monterey, CA , November 11, 2006 – *1st Place Winner, Research Competition*

2006 **Vosganian G**, “Lymphoma Presenting as Cold Agglutinin Disease: His Anemia Took Hold as He Worked in the Cold.” American College of Physicians Competition, Monterey, CA. November 11, 2006

2006 **Wolf A**, “Aplastic Anemia in HCV Therapy.” American College of Physicians Competition, Monterey, CA. November 11, 2006

2005 **Alcalay A**, “Venous Thromboembolism in 68,142 Patients with Colorectal Cancer”, American College of Physicians Competition, Monterey, CA, October 2005

2005 **Almazan D**, “How Clean is Your Spleen”, American College of Physicians Competition, Monterey, CA, October 2005

2005 **Brandt D**, “Devil or Angel: Tumor Necrosis Factor in Systemic Lupus Erythematosus”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Chang, D**, “The Utility of Exercise Treadmill Testing in Women”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Dhatt, A**, “Milk of Hypermagnesemia”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Do, L**, “From Cellulitis to Merkel Cell”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Gabler, S**, “Recurrent Syncope – Is It All in the Head”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Gamp P**, “ECG Changes and Elevated Troponins Associated with a Tension Pneumothorax”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Gerich, M**, “A Simple Method for Predicting Short-term Mortality in Alcoholic Hepatitis”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Go V**, “Why Can’t I Take Antibiotics When I Use Heroin”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Haas E**, “Rapid Normalization of Exercise-Induced Ischemic ST-Segment Depression”, American College of Physicians Annual Session, San Francisco, April 2005. *1st Place Winner, Research Competition*

2005 **Haddock, D**, “A Severe Exfoliative Skin Mimicking Toxic Epidermal Necrolysis: An Unusual Case of Acute Generalized”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Hanson, K**, “The Perfect Storm: A Rare Consequence of Hyperthyroidism”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Heestand, G**, “The ‘M’ in Mudpiles Means Melanoma”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Hogberg, I**, “When the Pursuit of Health Accelerates Death – A Fatal Interaction of Allopathic & Complementary Medicine”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Joson, J**, “Alternating Electrocardiographic Axis in the Setting of Dyspnea”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Kamboj A**, “Ethylene Glycol Toxicity – A Sweet Tasting Suicide Attempt”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Kashkouli, P**, “A 25-Year Old Woman with a Mediastinal Mass”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Kopilevich, L**, “To Save a Kidney: Renal Artery Thromboembolic Disease Early Diagnosis and Management”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Krishnamurthy, A**, “Intractable Vomiting Preceding Transverse Myelitis: Is It Multiple Sclerosis”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Ku, G**, “Spontaneous Carotid Artery Dissection as Cause of Stroke in Young Adults”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Lee, E**, “Massive Lymphadenopathy: Lymphoma? Actually it’s Kaposi’s Sarcoma”, American College of Physicians Competition, Monterey, CA. October 2005 ***1st Place Winner, Clinical Vignette Competition***

2005 **Lin, J**, “Persistent Clostridium Difficile Infection Responsive to Intravenous Immunoglobulin”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Lin, K**, “Accelerated Cardiac Valvular Calcification in Setting of End Stage Renal Disease and Hyperparathyroidism”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Lin, T**, “His Feet Stopped Working in the Throes of Ecstasy”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Newell, L**, “Chasing Leukocytosis: The Search for Diagnosis in an Obese Patient”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Nguyen, H**, “Weil’s Syndrome Presenting Without the Cutaneous Stigmata”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Rajappa, P**, “An Intervention to Increase Accrual into Cancer Clinical Trials (CCTs)”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Rana, R**, “Benzo Bullae – A Rare Complication of Clonazepam Overdose”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Schwilk, E**, “When the Patient Knows Best...”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Semrad, T**, “March of the Amoebas”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Toy, E**, “Jaundice in a Neutropenic Patient with Leukemia”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Tran, Q**, “Big Mac Attack: A Case of Mycobacterium Avium Complex in an Immunocompetent Patient”, American College of Physicians Competition, Monterey, CA. October 2005

2005 **Wang, J**, “Conspicuous Consumption: A Case of Massive Hemoptysis”, American College of Physicians Competition, Monterey, CA. October 2005

2005 White RH, **Lin T** “Beta Version of Warfdocs for Web, 1.0b” AHRQ Medication Errors Expert Meeting, Gaithersburg, MD, May 5-6, 2005.

2005 White RH, **Lin T** “Wardocs 1.2 for the PalmOS” AHRQ Medication Errors Expert Meeting, Gaithersburg, MD, May 5-6, 2005.

2005 White RH, Neufeld J, Harvey DJ, Kravitz RL, Hogarth ME, **Lin T** “Preventing Medication Errors When Dosing Warfarin: The Warfdocs Study” AHRQ Medication Errors Expert Meeting, Gaithersburg, MD, May 5-6, 2005.

2005 **Yen, Danny** “Post-Liver Transplant Biliary Strictures Occur in 15% of Patients” Digestive Disease Weekly Conference in Chicago, May 2005.

2005 **Wyckaert, C**, “Primary Central Nervous Lymphoma Disguising as a Demyelinating Process”, American College of Physicians Competition, Monterey, CA. October 2005

2004 **Alcalay, Allison** and Fitzgerald, Faith , “All Looks Yellow to the Jaundiced Eye”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **Chen, Diane**, Naguwa, Stanley, and Flynn, Neil, “Peritoneal Tuberculosis in a Patient Treated for Rheumatoid Arthritis – A Serious Complication of a New Wave of Rheumatoid Therapy”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **Chen, Gigi**, Rodriguez, Rafael, and Wexler, Jason, “A Case of Persistent Hypoglycemia Due to an Insulinoma”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **Chen, Gigi**, Song, Aimin, and Lam, Kit, “The Synthesis and Testing of a Library of Carboxyesterase Substrates – A Novel Approach to Develop Diagnostics for Esterase Profiling”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **Chen, Philip**, and Hamann, Kendal, “Spontaneous Bacterial Peritonitis in Nephrotic Syndrome Presenting as Testicular Pain”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **Cowen, Kimberly**, and Hamann, Kendal, “Fulminant Hepatic Failure Resulting from Aortic Dissection”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **DeRoock, Ian**, and Fancher, Tonya, “Malaria as a Potential Cause of Splenic Lymphoma”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **Discepolo, William, II**, “A Rare Case of Cocaine Associated Cardiotoxicity”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **Gerich, Mark**, Umphress, Jason, and Davis, Garth, “Tics Aren’t for Kids”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **Go, Vera**, Calkins, Jonica, and Fancher, Tonya, “Unexpected Treatment Failure: A Case of Purulent Pericarditis”, Abstract – American College of Physicians, California Statewide meeting, October 2004.

2004 **Gu, Stephanie**, and Fancher, Tonya, “Hair for Thought: Trichotillomania/Tricophagia Presenting as Failure to Thrive”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **Haas, Eric**, and Amsterdam, Ezra, “Rapid Normalization of Exercise-Induced Ischemic ST-Segment Depression Predicts False Positive Tests”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **Haas, Eric**, and Bommer, William, “‘Slow Flow’ Takotsubo Cardiomyopathy”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **Hamann, Kendal**, Keenan, Craig, Harvey, Danielle, and Wexler, Jason, “Accuracy of Patient Recall of Home Glucose Monitoring in the Primary Care Setting”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **Harris, Tracie**, and Fancher, Tonya, “In Search of Occam’s Razor: An Elusive Diagnosis of Lupus”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **Kashkouli, Pouria**, and Albanese, A., “Spontaneous Regression of Hepatocellular Carcinoma (HCC)”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **Kong, James**, and White, Richard, “Quadruple Thrombophilia: Homozygous Factor V Leiden, Antiphospholipid Antibody Syndrome, and Hyperhomocysteinemia in a Single Patient”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **Kennedy, Emmalee**, and Fancher, Tonya, “A Fatal Complication of Semi- elective Propofol Induction Anesthesia”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **Ku, Grace**, and Zeki, Amir, “Subacute Endocarditis Masquerading as Pink Eye”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **Leary, Joyce**, and Zeki, Amir, “Torsades De Pointes: A Potential Danger of QT- Prolonging Drugs in Hypothyroid Patients”, Abstract – American College of Physicians, California Statewide Meeting, October 2004. *1st Place Winner, Research Competition*

2004 **Lin, Amy**, Adams, Sylvia, Hamann, Kendal, and Moskovits, Tibor, “Autoimmune Hemolytic Anemia with Reticulocytopenia”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **Lin, Amy**, Chiechi, Christine, and Meyers, Frederick, “The Myth of Hospice Under- Utilization by Asian/Pacific Islanders”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **Lin, Terence**, and Tagore, Kuldeep, “He Drank Lemonade and Passed Out: An Uncommon Cause of Syncope”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **Pham, Laura**, and Fancher, Tonya, “Foot Pain as the Presenting Symptom of Wegener’s Granulomatosis”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **Semrad, Alison**, and Davis, Garth, “Myalgia and Fever in the Setting of Diabetes”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **Tiska, Heather**, Tagore, Kuldeep, and Davis, Garth, “When the Valsalva Blows: An Unusual Cause of Syncope”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **Tong, Kathleen**, and Ciaranello, Andrea, “Doc, My Bottom Hurts...”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **Tran, Quy**, and Zeki, Amir, “An Orange a Day Keeps the Doctor Away: Vitamin C Deficiency in the Modern Era”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2004 **Zeki, Amir**, and Yen, Danny, “Altered Mental Status and the Forgotten Diagnosis of Arsenic Poisoning”, Abstract – American College of Physicians, California Statewide Meeting, October 2004.

2003 **Alcalay, Allison**, “Fever of Unknown Origin in a Young Man”, Abstract – American College of Physicians, Northern California Meeting, November 2003.

2003 **Aoki, Chris**, “Acute Lymphoblastic Leukemia Presenting as Recurrent Pancytopenia”, Abstract – American College of Physicians, Northern California Meeting, November 2003.

2003 **Chen, Gigi**, “A Rare Case of Carcinosarcoma Presenting As Pericardial Tamponade”, Abstract – American College of Physicians, Northern California Meeting, November 2003.

2003 **Chan, Happy**, “Physician Interpretation of Anticardiolipin Antibody (ACL) and Its Role in the Diagnosis of Antiphospholipid Syndrome (APS)”, Abstract – American College of Physicians, Northern California Meeting, November 2003.

2003 **Chee, Karen**, “Trastuzumab (Tras) and Docetaxel (DOC) in Her2 (+) Hormone Refractory Prostate Cancer (HRPC): A California Cancer Consortium Screening and Phase II Trial”, Abstract – American College of Physicians, Northern California Meeting, November 2003.

2003 **Chee, Karen**, “The Migratory Venous Thrombosis of Trousseau’s Syndrome”, Abstract – American College of Physicians, Northern California Meeting, November 2003.

2003 **Fu, Anthony**, “A Red Snapper Red Herring: An Unexpected Case of Mycobacterium Avium Complex (MAC)”, Abstract – American College of Physicians, Northern California Meeting, November 2003.

2003 **Ho, Chris** and Brown, Ryan, “An Unusual Complication of a Usual Therapy, Nocardia Epidural Abscess”, Abstract – American College of Physicians, Northern California Meeting, November 2003.

2003 **Ho, Lisa**, “A Chip Off the Old Block: A Case of Infective Endocarditis Causing Renal Infarction”, Abstract – American College of Physicians, Northern California Meeting, November 2003.

2003 **Joelson, Eddy**, “A Diagnosis of Hereditary Spherocytosis in the Second Half Century of Life”, Abstract – American College of Physicians, Northern California Meeting, November 2003.

2003 **Knops, Karen**, “Desire to Control Medical Therapy, Suffering and Death: Development of a Model to Understand Treatment Preferences of Chronically Ill Patients”, Abstract – American College of Physicians, Northern California Meeting, November 2003.

2003 **Le, Phuc TN**, “Elective and Acute Stenting of Coronary Arteries on Express System – C-Reactive Protein and Coronary Artery Restenosis”, Abstract – American College of Physicians, Northern California Meeting, November 2003.

2003 **Le, Phuc TN**, “Assessment of Low Risk Patients Presenting to the Emergency Department with Chest Pain: Immediate Treadmill Test or Cardiac Stress Imaging”, Abstract – American College of Physicians, Northern California Meeting, November 2003.

2003 **Sigal, Darren**, “A Biblical Allusion: Immunodeficiency in a Young Adult”, Abstract – American College of Physicians, Northern California Meeting, November 2003.
